

AINTEX® THERMO MITT

The Aintex® Thermo mitt is a heavy duty, heat resistant, double lined aramid mitt that enables contact heat up to 350°C. Ideal for hotwork use.

- Designed for quick removal
 - Ambidextrous
 - 25cm or 40cm (40cm shown)
- Product code: NG48/TCX/16 (shown)

HOT-WORK GLOVE

Polysafe® heavyweight heat and flame resistant knitted Kevlar® glove with a cotton liner that provides comfort and further insulation.

- For hotwork use
 - 35cm or 45cm
- Product code: FKK8/35KL (shown)

BALACLAVAS

Flame-retardant and heat-resistant Nomex® balaclava for working in hot conditions.

- Available in ecru or black Nomex®
 - Certified to EN531
 - Single or multiple layers
 - Range of face apertures or eyelets to maximise protection and accommodate safety glasses/goggles
- Product codes: B42/NMX/PNC, B42/NMX/NP/SS, B42/NMX/1E (shown)

GLADDING JACKET/TROUSERS/TRILBY

A range of flame-retardant and heat-resistant clothing offering high levels of protection when working in hot environments (eg. kiln maintenance).

- Certified to EN 531
 - Protection against molten metal splash
 - Can be aluminised or covered with aramid for additional protection
- Product codes: GJ/35 jacket, GT/10 trousers, GTH/11 hat (shown)

Bennett Safetywear Ltd

ARMATEX™ BODYGUARD™

Long sleeved V-neck sweatshirt with underarm vents, designed for comfort and protection in hot working environments.

- Level 5 cut-resistance
 - Lightweight seamless knitted construction
 - Advanced technology fabric that is cool to the touch
 - Also available with puncture-resistant reinforcements (shown below)
 - S/M/L/XL/XXL
- Product code: QKJ/MV/LS/003 (shown above)

Product code: ABG/190 (shown left)

|--|---|

ARMATEX™ SLEEVES

Aramid-reinforced polycotton sleeves with two elastic straps. Outside seam for additional comfort.

- Polycotton outer material, aramid lining
 - Durable and launderable
 - Cut protection level 3 or level 5
 - Pen pocket on inseam version (PKS/142)
 - S/M/L/XL/XXL sizes
- Product code: PKS/141 (shown)

POLYSAFE® SLEEVE

A lightweight knitted Kevlar® sleeve that features individual finger apertures to ensure that the sleeve does not 'ride up' the arm and compromise safety.

- Level 3 cut protection
 - Stretchable, lightweight construction
 - Ambidextrous
 - 33cm or 45cm
 - Finger apertures
 - Yellow
- Product code: SKK13M/TH/33 (shown)

PCC/20

Being the latest addition to our range of wrist guards, the PCC/20 features a brand new aramid composite liner that is softer and thus more comfortable to wear. Additionally it has a specially developed loop and hook fastening that allows it to be worn on a wrist of any size.

REFLEX T PLUS™

Heavy duty performance enhanced by the durable and puncture resistant coating. Exceptional grip in both wet and dry conditions for safe and secure handling.

- Glass handling applications
 - Automotive manufacturing
 - Construction
 - Timber & Panel handling
- Product code: FKK10/NRPO/KW (shown)

Kevlar® is a DuPont registered trademark

FINGERLESS DOTTED KEVLAR® GLOVE

Heavyweight Kevlar® glove with fingerless thumb and first two fingers. Allows maximum dexterity for using tools whilst protecting as much of the hand as possible.

- Level 3 cut protection
 - Fully fingered (FKK7/DD/KW) and fully fingerless (FKK7M/DD/KW) versions also available with PVC dots on both sides for enhanced grip and extended life
- Product code: FJTK7/FTM/PD/KW (shown)

PROTEX®

With a Dyneema-knitted construction and a polyurethane-dipped palm, this glove is both ultra-lightweight and highly protective.

- Stretch-to-fit design gives close comfort and phenomenal dexterity
 - Available with cut-resistance Levels 3 (Protex®) and Level 4 (Protex® Plus)
- Product code: FKDY13/PU/KW (shown)

PROTECTA PLUS®

A lightweight composite yarn glove with high cut-resistance and fine polyurethane coating on palm.

- Level 5 cut-resistance
 - PU coating has benefit of low marking
 - Resists cutting fluid
- Product code: FKDYN10/GPU/KW (shown)

SAFEGUARD-LP®

A lightweight composite yarn glove with high cut-resistance and leather palm providing excellent grip.

- Level 5 cut-resistance
 - Ideal for glass handling
- Product code: FKCP10/LGP/KW
