

Bennett Safetywear Limited

Best In Glass

With over 65 years' of experience in the design & manufacture of personal protective equipment, Bennett Safetywear Ltd is now firmly established as a leading supplier within the glass industry. With close attention given to new material and technical developments, Bennett Safetywear Ltd relies on continuous innovation and working closely with its customers to find the best solution.

This brochure serves as a small introduction to Bennett Safetywear's large range of safety gloves and clothing for the glass industry.

Armatex™ Sweatshirt

Long-sleeved V-neck sweatshirt with underarm vents and a Kevlar® mesh lower back panel. Designed for comfort and protection in hot working environments.

- Level 5 cut protection
- Knitted Kevlar® cuffs
- Lightweight construction
- Kevlar® stitching
- S/M/L/XL/XXL sizes
- Variations available

Product code: AS/165 (shown)

Armatex™ Jacket & Trousers

Aramid material sandwiched between a sturdy polycotton outer and a comfortable polycotton liner. This heavy-duty construction is durable, launderable, available in a range of sizes and colours (including hi-vis) and offers up to level 5 cut protection.

Trousers:

- Fly-zip and stud fastening at waist
- Optional detachable leg panels

Product code: PKT/2 (shown)

Jacket:

- Zip front
- Two breast pockets

Product code: PKJ/153 (shown)

Armatex™ Sleeves

Aramid-reinforced polycotton sleeves with two elastic straps. Outside seam for additional comfort and pen pocket for convenience.

- Polycotton outer material, aramid lining
- Durable and launderable
- Cut protection level 3 or level 5
- S/M/L/XL/XXL sizes

Product code: PKS/141 (shown)

Cutter's Apron

Aramid apron lined with a water-resistant cotton cover. Specifically reinforced in areas of high wear, this apron is extremely strong, protective and durable. Featuring a tool pocket for extra convenience.

- Level 5 cut protection
- Water-resistant
- Tool pocket
- Includes ties

Product code: 1423 (shown)

Polysafe® Sleeve

A lightweight knitted Kevlar® sleeve that features individual finger apertures to ensure that the sleeve does not 'ride up' the arm and compromise safety.

- Level 3 cut protection
- Stretchable, lightweight construction
- Ambidextrous
- 33cm or 45cm
- Finger apertures
- Yellow

Product code: SKK13M/TH/33 (shown)

Armatex™ Wrist Guards

Aramid-lined cut-resistant wrist guards. Both sturdy and comfortable, these wrist guards can be covered with either poly-cotton or leather.

- Level 5 cut protection
- Ambidextrous
- Durable
- 15cm or 20cm

Product code: 1637 (shown)
